

## Headed West: Strangers On A Train (Parts One And Two): A Pair Of Christian Romance Novellas

Headed West: Strangers On A Train, is number one in the series. A mail order bride is headed for California and a man she has never met, to marry him and start a new life out west. When she meets a charming and handsome lawyer who was fired from his firm and is now headed there too, she is torn between the duty to her parents to marry who they chose for her, and a burgeoning respect then love for Asa, her stranger on a train. She turns to her bible for answers but time is short, so will she find what shes seeking before they both step off the train and disappear into the crowd forever? Headed West: Strangers On A Train #2 (Lilies Of The Field), is an exciting adventure, as well as a love story. A woman doctor is headed to Sacramento to start a new practice -- she hopes. Where she was from wasnt exactly behind her plans to set up practice and she almost lost her faith, but when she met a well-dressed man on the train, with a briefcase chained to his wrist, she got far more than a boring train ride to the West Coast.
