

Monsters Made Me Gay: Goblin Group Encounter

Ken is a man who loves adventure, as long as it takes place within the safety of a good book. This is why working at his village's local library is such a great job, far from the world of sword and sorcery around him. But when Ken discovers a strange tome titled *The Sexuality of Gay Goblins*, he becomes intrigued by what he finds. Soon enough, Ken has developed the desire for a real world encounter with these dangerous and horny creatures. After sneaking off into the woods, Ken soon finds himself face to face with a war band of hot and hung goblins, but will a hardcore gay gangbang be enough to keep these monstrous creatures in check? This is a 4,700+ word hardcore gay gangbang story featuring anal, double anal, rough sex, cream pies, and gay goblin marauders.
