

On Learning Golf

ON LEARNING GOLF (H) A Valuable Guide To Better Golf Percy Boomer This quaint classic written by the Harvey Pennick of his era, Percy Boomer, was first published in 1946 and is now in its thirty-second printing. Boomer, whose golf career began in 1896, participated in many European championship tournaments to earn international acclaim as a player and teacher. This elegant, concise, and humorous guide to the fundamentals of the popular pastime features a foreword by the late Duke of Windsor. Today's readers will note the good advice and revel at how little the game has changed in 50 years!
