

The Accidental Affair (BDSM, Domination, Alpha Males)

When Temperance realizes that her boyfriend has been cheating on her, she has only one thing on her mind: revenge. The opportunity creates itself soon enough, while during a fundraiser she finds herself strangely attracted to one of her boyfriend's coworkers. However, the damage has been done and she has indulged in her guilty, carnal pleasure. She has only one chance to right the wrong she had done. Will she act in time? Or will it be too late?
