

# Characteristics of Emotional and Behavioral Disorders of Children and Youth, Student Value Edition (10th Edition)

The tenth edition of *Characteristics of Emotional and Behavioral Disorders of Children and Youth* follows the text's long-standing reputation for trusted research, a teacher-focused presentation, and clear explanations of the concepts related to students with EBD. Streamlined in this edition, the text offers a coherent conceptualization of the problems of students with emotional and behavioral disorders and the common challenges for teachers. Its four-part format examines the background of EBD, the origins of disordered behaviors, types of disorders and the procedures and problems associated with assessment. This edition includes over 150 new references, a unified chapter on assessment, a new emphasis on teaching social skills and a separately available companion casebook filled with cases and interviews from teachers in the field.
