

OMG! Karen has a Cock! (Fantasies of a Kinky Girl)

What if you really could have it all? When Jodie is roped into fixing a broken computer during a visit to a friend's house, she has absolutely no interest in spending time with their quirky daughter, Karen. But when the petite teen wanders into the room looking to chat, Jodie's plan to get rid of the girl accidentally reveals that Karen has something very special tucked between her legs - a huge, throbbing cock! Come along as Karen shows off every glorious inch of her miraculous hermaphrodite body to Jodie, and demonstrates her most shocking sexual secret for the first time to another person. Before the evening is through, these two horny virgins could both end up filled with big loads of sticky cum!
