

Nativity Tales: A re-telling of the Christmas Story

A selection of six, very short, tales retelling the nativity story. These stories were originally designed to be read out loud as part of a Christmas carol service as an alternative to the traditional readings. The stories range from Gabriel visiting Mary (Luke 1:26-38) to the end of the story when the wise men visit Jesus (Matthew 2:9-14). Any profit made from this ebook will be donated to Macmillan Cancer Support.
