

Dawn of Shadows (Prophecy of the Heir)

Lucifer grows restless. A sense of unquiet gnaws at his ether. He seeks something. Something more.... Lusting for the power to create worlds and to rule races inferior to his own, Lucifer trains the Malakim in the art of swordcraft, unknowingly preparing them to aid him in his attempt to usurp King Elyons throne. Bearer of a sword that can slay a spirit-lord, Lucifer grooms Michael, his favored lieutenant, as his second-in-command. But Michael starts unraveling the mystery behind the secrecy, and is forced to choose between his comrades and loyalty to his King. History and fantasy collide as the ultimate struggle between good and evil rises in this 20,000 word novella, Dawn of Shadows, the first chapter in the epic supernatural novel, Prophecy of the Heir.
