# Adobe After Effects CS4 Classroom in a Book

Visual effects and motion graphics pros of all stripes - from broadcast professionals to VFX supervisors to Web designers who need to produce occasional video segments - will welcome the dramatically accelerated features provided in the brand-new After Effects CS4. This best-selling book has been revised to cover all thats new in this upgrade: the ability to import 3D layers from Photoshop; the Cartoon effect that converts live-action footage into stylized imagery; Adobe Device Central CS4, which lets you preview and test animations for mobile devices, and more. Designed around a single complex project thats broken down into manageable lessons, this book-and-DVD package mimics a real-world workflow - but one that readers tackle at their own pace. The DVD contains all the lesson files and footage readers need to complete the lessons.
