

Cold Hard Cash: The Professional Soccer Betting System

How much does your bank or building-society savings account pay? Is it 2%, 3% or maybe youve found a good deal online and managed 5%. What if there was a technique that delivered a 30% return month in, month out. Would you be interested in an investment system that had turned \$1000 into \$8000 in just one year? Would you like to find out how that \$8000 turned into \$64,000 in under 18 months? Craig Beck uncovers the closely guarded secret-investment system of European professional gamblers. In Cold Hard Cash you will learn: Why 95% of people never become rich. The secrets only the select 5% know. What bookmakers love about punters How to avoid the con men and lies. Bankrolling your investment What makes a good bet. The mentality of the super-rich and how you can get it Finding odds up to 20% higher than any major bookmaker The Cold Hard Cash 80% winners system Please note this is not another get-rich-quick system, but rather an extensively researched study of how some people can earn a living from professional sports betting while virtually everyone else loses in the long run!
