Product Description

MyGraphicsLab is an exciting new learning solution that will challenge you with creative assignments that are fresh and applicable to today's design field. In order to use MyGraphicsLab, you will need a CourseID provided by your instructor; MyGraphicsLab is not a self-study product and does require you to be in an instructor-led course. Customers without a CourseID will not be able to use MyGraphicsLab.

MyGraphicsLab includes:

- Premium-quality video tutorials: These videos show graphic design tools in action and provide an engaging multimedia experience with real-world examples and demonstrations.
- Fresh and innovative projects: The projects come with downloadable project files that reinforce core concepts and offer opportunity for creative hands-on experience.
- Pre- or post-test quizzes: Allow you to track your progress and see where you may need extra attention.
- eText: When you purchase MyGraphicsLab with any of the companion texts, the entire eText version can be accessed in one easy click from the main eText page. You'll be able to easily navigate between MyGraphicsLab and the eText to read course assignments, bookmark relevant material, search for content, highlight text, take notes, and review for quizzes.

Visit www.mygraphicslab.com for more information or go directly to www.coursecompass.com to purchase immediate access to MyGraphicsLab with your instructor's CourseID.
