

My College Classmates Voraciously Willing Mother

Chad Wilson, a junior at State University on a football scholarship, decides to take a few classes during the summer semester to lighten the course load during football season. He's also looking after a freshman player, Tim Hunter, at the coach's request. When Chad does a favor for a local classmate, James Turner, James thanks him with an invitation to his house for swimming. The boys quickly become friends and over a few weeks, Chad and Tim get to know James' mother, Vanessa, really well, enough that it was okay to just show up at their house without James. One Friday when James is with his girlfriend, Chad and Tim drop by to swim and find an unexpected treat. Vanessa is sunning at the pool, almost naked. At thirty-nine, she is better looking and more sensuous than any college girl they know. And best of all, she doesn't appear to mind them seeing her in a bikini thong, her tiny top removed. Vanessa seems happy to have their company and invites them to stay. Chad and Tim react to the stimulation of a beautiful woman with predictable flustered behavior and formidable erections. Chad, more mature and sophisticated than Tim, quickly seizes his advantage when Vanessa invites him upstairs. He enjoys a shower to remember with Vanessa, then leaves her napping. Back at the pool, Tim admits to Chad he is a virgin and Chad vows to try to help him cure his condition. When Vanessa rejoins them outdoors, Chad confides to her that Tim is a virgin and she actually seems excited by the idea of helping him out with his first time. Chad concocts a plan to get Vanessa into the pool with both of them and a sizzling three-way is soon underway. As it turns out, Vanessa has a greater capacity for sexual pleasure than either of the young men could have imagined and is open to everything proposed, begging for more as each barrier is breached. A lengthy double penetration scene is a highlight of the session,

culminating with Vanessas admission she is a submissive searching for a new master. Chad is more than happy to fill that role and she counts herself lucky to have found such a young, virile master with the endurance to fulfill her every subjugation wish. Tim is floating in a dream world of the recently initiated, and Vanessa so pleased with her experiences, she invites the young men to stay the night to see what else they can dive into. Not that she intends to stop therewith both boys contact information, she knows shell be making many calls to them in the future.
