

Covert Pursuit

Boston homicide detective Angie Carlucci thought she was getting a much-needed vacation. But her Florida Keys holiday is interrupted when she sees someone dump a body bag in the ocean. In the tangle between arms dealers and treasure hunters, she's the only witness and the main target. Unless a certain boat captain can keep her safe, a pretty cop complicating his mission and endangering his cover is the last thing federal agent Jason Bodwell needs. Yet the more Jason and Angie work together, the closer they grow. Jason's willing to risk his life to solve the case, what will he risk for love?
