

## On Edge (The Ice Skating Series #1)

After an intense ice skating camp in San Francisco, Madison Boone is excited to begin a new season with her best friend Hannah. But when Hannah's parents announce that they are moving to California to train with a new coach, Madison is devastated. How can she navigate freshman year and training for Regionals without her? While trying to figure out how to cope without Hannah, Madison and her younger sister take on a new client in their pet-sitting service who not only has the most adorable puppy, but a very cute 15 year old son, Dylan, who quickly becomes the most talked about boy in school. When his twin sister, Sydney, joins the Emerald City Figure Skating club, she turns out to be Madison's biggest obstacle to winning the Northwest Pacific Regional competition. Just when Hannah starts to make friends with Sydney, she learns a secret that will test whether she'll do the right thing, risking her relationship with Dylan. Will Hannah trust her instincts or will her fear of failure keep her On Edge?
