

Sissifying Her Rival (Part One: Captured) (Feminization Fables Book 13)

Amy and Brandon are up for the same promotion, though Brandon has the inside track because the firm prefers to hire men. Amy has a plan to fix this however, by eliminating the competition. All she has to do is turn Brandon into a woman. Is such a thing possible? Brandon is about to find out. Can he escape this feminine fate or will he spend the rest of his life as her feminized servant? Sissifying Her Rival is a cautionary tale of a man who finds himself turned into a woman and at the mercy of his rival. In this first part, Brandon finds himself turning into a woman and he discovers who is behind this, and why. This 12,000 word story includes female domination, gender transformation, forced feminization, breast growth, pegging, oral sex, erotic humiliation and more! For Mature Audiences Only
