

The Basis of Morality (Classic Reprint)

Must religion and morals go together? Can one be taught without the other? It is a practical question for educationists, and France tried to answer it in the dreariest little cut and dry kind of catechism ever given to boys to make them long to be wicked. But apart from education, the question of the bedrock on which morals rest, the foundation on which a moral edifice can be built that will stand secure against the storms of life - that is a question of perennial interest, and it must be answered by each of us, if we would have a test of Right and Wrong, would know why Right is Right, why Wrong is Wrong. Religions based on Revelation find in Revelation their basis for morality, and for them that is Right which the Giver of the Revelation commands, and that is Wrong which He forbids. Right is Right because God, or a Rshi or a Prophet, commands it, and Right rests on the Will of a Lawgiver, authoritatively revealed in a S About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology. Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings. Careful attention has been made to accurately preserve the original format of each page whilst digitally enhancing the aged text. Read books online for free at www.forgottenbooks.org
