Her moans carried across the room but she didnt care. Let him hear. Let him walk in and witness her unbridled appetite. A collection of three very naughty stories including: Desire, My Neighbors Naughty Brat and Hard Ride. Desire The man of the house sneaks into the brats bedroom. He only wants to watch her sleep. But her translucent white panties provoke his rampant lust and hes compelled to do more than just look. Will his nocturnal visits remain secret, or will she catch him in the act? My Neighbors Naughty Brat When Dan walks into his favorite strip club, the last person he expects to see working the pole is his sexy neighbor Jessica. Her seductive dance tells him this isnt her first time. He hatches a plan to have a private dance with her. After Jessica finishes dancing on the main stage, shes told to report to the pitch black glow room where a stranger waits for her. In the darkness, she covers herself in glowing paint and gives the sexy stranger a naughty lap dance. But when she discovers that the customer is her neighbor, she panics. Will reveal her dirty little secret to everyone in the neighborhood, or does he have something else in mind? Hard Ride When Carrie and the man of the house become trapped by a freezing snow storm in his secluded mountain cabin, the last thing she needs is for the generator to go out. Without a heater to keep them warm, their desperate plan to survive drives them into each others arms. Her already smoldering TABOO lust for him is stoked by his dangerously close proximity and she fights the growing urge to caress every inch of the rugged cowboy. As the temperature plummets, the heat between them intensifies. Doug struggles to resist the naughty brat but the longer the night drags on, the harder he gets. Will they surrender to their raging desires, or will they resist every last temptation? Love scenes are fully realized and at times include explicit
