

Danger in Plain Sight (Amish Suspense Book 3)

Libby Morgan never wanted to return to Lancaster County. She made her own life in the city as a news photographer, leaving the slow pace of Amish country behind. She left love behind, too, when she fled the old-fashioned ways of Adam Byler. But when a friend in trouble beckons, Libby knows she has no choice. What she doesn't know is that something sinister awaits her. For Adam Byler, the traditional ways convey safety and order. As police chief of Springville, the former marine strives to keep the peace between the Amish and their modern English neighbors and he will not allow Libby's beauty to distract him from his duties. But when an innocent woman is attacked, they'll confront a danger more threatening than their growing passion.
