

Owned by Bare Lust: The Princess (Owned By Studs Book 2)

Even princesses can learn to kneel. Camille is a beautiful handmaiden to young, gorgeous Princess Mariana. Her loyalty is supposed to lie with only the Princess, but over the past several weeks, she's been slowly indoctrinated to the control of Counselor Victor. Victor is going to warp Camille's mind, and then use Camille to warp the Princess's mind and take over the throne, ensuring that every beauty in the kingdom bows only to him. The once-mocked counselor is going to finally show the fertile Princess her proper place, on her knees before her new Owner.
