

Powerful Enemies: A Christian Romantic Suspense Novel (Crystal Book 8)

Love shouldn't be so hard. Judas' secret has the potential to change everything. Crystal knows that whichever choice she makes, it won't be easy. She must decide whether the pain of his secret is greater than the pain of letting him go. Either way, there will be pain. Freedom should be a right. But Luke doesn't think so. As violence, destruction, and death take over the nation, the powers that be turn to Crystal and her team for help. But is this battle too big for them? The past two years have presented challenge after challenge for Crystal. However, she is determined to see things through to the bitter end. Luke is powerful, but there is One more powerful than he. Right now, He is their only hope.
