

# Linux Debian 8.0 - Jessie: Setting Up BIND DNS

UPDATED E-BOOK - UPDATED @ 02:07AM - MONDAY 21ST DECEMBER 2015!! This e-book, i will explain to you what is needed to get your BASIC DNS Name System up and running, on a Dynamic IP, without the use of a Public Static IP, Also i will show you the setup process for a VPN using Oracle Virtualbox. It has been updated to support Debian 8 Jessie.
