

Desires of the Dead: A Body Finder Novel

The missing dead call to Violet. They want to be found. Violet can sense the echoes of those who've been murdered and the matching imprint that clings to their killers. Her best-friend-turned-boyfriend, Jay, is the only one outside of her family who knows of her morbid ability. But when Violet discovers the body of a missing boy, she draws the attention of the FBI. As Violet dodges their questions, she is pulled into an investigation that will endanger more than just her secret. For without even meaning to, Violet has stumbled upon a dark truth and a desperate killer.
