

Marti Talbotts Highlander Series 3 (Taral, Ralin, Steppen, Edana & Slava) (Volume 3)

TARAL - Laird Neil MacGreagors bride was not happy in her marriage. She tried everything to compensate including turning her attention to making sure the fun loving Taral didnt marry the wrong man. But before Taral could have a proper wedding, affairs of the heart had to be set aside for a far more dangerous concern - a concern that threatened the survival of the entire clan. RALIN - He wanted nothing more than to die, but six months after he lost his beloved Kindel, Walrick found himself in a new land with people who wanted him to become their laird. After years of living next to a threatening neighbor, the extreme loss of life from the plague made the MacGreagors more vulnerable and falling in love much more difficult for Ralin. Would Neil find a way to save his people and would Walrick accept a challenge to lead the other clan? STEPPEN - Laird Neil MacGreagor did the best he could to save their lives, but now the MacGreagors were without a homeland. Then three different rumors began to circulate -- one started by the MacDonalds, one by the Fergusons and one by someone in the north. With Neils son in Steppens charge, she had no place to go and no one to turn to. Shed loved Walrick all her life, but could she ever forgive him for not coming back? EDANA - A new home meant new problems -- which laird would they follow, where would they build new cottages and how could Walrick marry Steppen when Neil forgot to bring the priest? Slade MacGreagor had problems of his own. Attempting to locate his clan in an unfamiliar land, he happened upon nine sisters who desperately needed his help. SLAVA - Slava had a secret and once she told her sister, Charlotte, all nine sisters decided to leave -- even the betrothed Edana. Jessup was ready to throttle a reluctant Lucas, Taral was growing fonder of Geddes and Walrick finally had his priest. But when the sisters left, so did the

singing and the hopes of several unmarried men. Would the sisters ever want to come back and if so, would the MacGreagors have to fight another clan to get them?
