

DownFallen

He is a nobleman, a murderer, and a traitor, with no hope of redemption. Until he joins the fight to save a royal dynasty. Corban Thaeffall of Siphra is a fugitive from justice, separated by his own crimes from the woman he loves. Desperate to find peace for his warring soul, he resolves to make amends. But when he impulsively joins a fight to protect a family from mercenaries, Corban realizes that he risks his life and the chance to beg forgiveness for his crimes. Matteo of Arimna longs to repay his enemies for the massacre that nearly destroyed his family and Darzeqs royal dynasty. But with the realm of Darzeq in chaos and all loyalties suspected, he and his cousin, Anji, must depend upon a renegade nobleman to help them reach safety. As they struggle to find peace, will they escape the Infinite?
