

## Dirty

Venturing into uncharted territory, mother and award-winning journalist Meredith Maran takes us inside teenagers hearts, minds, and central nervous systems to explore the causes and consequences of our nations drug crisis. In these pages we get to know the kids, the parents, the therapists, and the drug treatment programs at their best and worst. Were face-to-face with seventeen-year-old Mike, whose life revolves around selling, smoking, and snorting speed; fifteen-year-old Tristan -- the boy next door -- who cant get enough pot, pills, or vodka; and sixteen-year-old Zalika, a runaway, crack dealer, and prostitute since the age of twelve. Combining powerful on-the-street reporting and groundbreaking research, Dirty is essential reading for every parent and professional who works with or cares about children or teenagers.
