

## Palmistry Decoder (Decoders)

This fascinating decoder makes the complex subject of Palmistry readily accessible. Learn to examine hands, check lines and mounts, interpret the length of fingers, the shape of hands and much more. A decoder is actually an 18 x 6 chart folded to create a 6 x 6, six-page booklet with four riveted wheels (see images). Turning the wheels will quickly access a wealth of pertinent information on over two dozen available topics. The format is engaging and beautifully illustrated, making it a handy reference tool and most unique and useful gift. Constructed of durable material with protective coating.
