

Do it Yourself Numerology

Did you know that numbers hold the key to our personalities and the way we live our lives? Do It Yourself Numerology explains how this fascinating science and philosophy can shed new light on all aspects of your life-past, present and future. In this attractive, comprehensive and accessible guide, Sonia Ducie demonstrates how to convert your name into numbers and how your date of birth reveals essential information about your personality, childhood, career, relationships, health and physical appearance. She offers an in-depth study into personality traits for each person and the date on which they were born (1st to 31st of each month). Discover your Personality Number, and why its vitally important to self-development.
