

## Her First Rodeo and Lesbian Massage Session (erotica/erotic fiction)

Two ultra hot erotic short stories featuring M/F, F/F and group scenes. Excerpt from Her First Rodeo: The foursome left the bar and walked out to the parking lot. There was the black and gold RV, large enough to haul a touring rock band. They climbed inside and were greeted with plush wall-to-wall carpet, two queen sized beds and all the amenities of a three-bedroom home. Y'all ready to cowgirl up? chuckled Treat as he handed them beers from the refrigerator and the other, Glenn, turned on the CD player. The two couples began to dance as the slow romantic country song came on. Amy and Barbara pressed against their cowboys, feeling their hard chests against their tits and the rough calluses of the mens hands through their thin blouses. Barbara looked over to see Amy and Treat already kissing. She had seen her friend make out with a guy before but it had never really turned her on. Tonight seemed different. Barbara could feel her nipples grow hard from rubbing against Glenns chest and her clit throb from the friction caused by his crotch pressing against it. She looked up into his face and he lifted his hat back from his forehead to kiss her. Barbara felt his mustache tickle her upper lip and immediately thought what that must feel like between her legs. Embarrassed at how horny she had become, she blushed, which made Glenn laugh. Dont tell me youre shy about a little kiss. he said, running his hands lower till they reached the bottom of her delectable ass which he then cupped and squeezed. She shivered at the sensation of his rough hands against the tender flesh of her bottom even through the denim fabric of her jeans. She wiggled in closer to him and without thinking, threw her arms around his neck and opened her mouth to receive his tongue. She mashed her breasts and pussy against his body while he continued to hold her tightly by the ass. Without speaking, the four of them

moved to the bed. Glenn and Treat lay on either side behind Amy and Barbara who faced each other. Pressing their hard cocks against the girls asses, they leaned on their sides, propping themselves up with one elbow and unbuttoning the womens blouses in front of them with the other. Barbara and Amy giggled as callused fingers reached inside their bras and played with their nipples, now erect and standing straight out at attention. Rub those titties together now Treat hoarsely whispered. The two girls had never fooled around with each other before, but this was the night to try new things.
