

# Adobe Dreamweaver Web Design Interview Questions: Adobe Dreamweaver Review Guide

The Ultimate Interview Guide for Advanced Dreamweaver Users! In depth and current overview of Dreamweaver for the advanced user. It's clear that Dreamweaver is an essential tool for the advanced web developer, but finding up-to-date and in-depth resources for the career web developer can be difficult. From helping you to assess your Dreamweaver skills to evaluating candidates for a job, Setting Yourself Apart with Dreamweaver will help you understand what you really need to know. Each section includes everything you need to know to master an interview, take your Dreamweaver skills to the next level, or properly evaluate a candidate. More than just a rehash of Macromedia documentation and sales presentations, each question is based on project knowledge and experience gained on successful high-profile Dreamweaver implementations. Key topics include:

- Dreamweaver with CSS, JavaScript, and other server-side scripting frameworks
- Connecting to databases
- Using extensions with Dreamweaver
- Features new to 8.02
