

Dreams of Hope

A high school basketball coach falls in love with the woman of his dreams while struggling to bring his high school team to victory in the enthralling new novel *Dreams of Hope* by Miller Jones. Sam Jones is the force behind the high school basketball team, and they seem well on their way to bringing home the gold trophy in the state championship tournament. But suddenly, Sam is being followed and threatened by the mysterious Virginia Militia Society. But what could they possibly want with him and why are they targeting him for death? As his true love Libby battles cancer, the couple begins to care for the team members and their dog, Lulu. Before they know it, they soon realize what is really important in life and in love. Beautifully written and masterfully told, *Dreams of Hope* is filled with characters so alive and rich, they seem to leap off the page. Based on Jones's own experiences with marriage, dogs, fighting cancer, and playing high school and college basketball, *Dreams of Hope* is a riveting story of an ordinary couple fighting to keep their dreams alive. A moving story of love, danger, and faith, *Dreams of Hope* is for anyone who has ever felt inspired to live his or her own dreams, and to help others achieve their own. A page-turner with heart, *Dreams of Hope* announces the second book of a talented new writer.
