

Edge of Apocalypse (The End Series)

The End Series by New York Times bestselling author Tim LaHaye and Craig Parshall is an epic thrill ride ripped from today's headlines and filtered through Scriptural prophecy. As world events begin setting the stage for the end of days foretold in Revelation, Joshua Jordan must weigh the personal price he must pay to save the nation he loves. In this adrenaline-fueled political thriller laced with End Times prophecy, Joshua Jordan, former U.S. spy-plane hero turned weapons designer, creates the world's most sophisticated missile defense system. But global forces conspire to steal the defense weapon, and U.S. government leaders will do anything to stop the nation's impending economic catastrophe—including selling-out Jordan and his weapon. As world events begin setting the stage for the end of days foretold in Revelation, Jordan must consider not only the biblical prophecies preached by his wife's pastor, but the personal price he must pay if he is to save the nation he loves.
