

El Señor Presidente/mr. President (Spanish Edition)

La narracion de esta premiada obra, tiene por objeto la descripcion y denuncia de la dictadura de Manuel Estrada Cabrera, sanguinario dictador guatemalteco de la primera mitad del siglo XX y, por extension de todas las dictaduras latinoamericanas. Pero en otra parte Miguel Angel Asturias muestra aspectos sociales y politicos de Guatemala, la miseria de ese tiempo. Asturias nos lleva a otra dimension donde lo magico con lo real se fusionan y nos entregan esta increíble novela que le ayudo a ser galardonado con un Premio Nobel de literatura.
