

Thoughts of Seduction - Mf Seduction Romance Erotica

Frustrated with my barbershop dos, my wife sends me to a stylist. Im reluctant to go that first time, but after that, its all I think about. Excerpt: Could this really be happening? I reached out and unsnapped her smock, and pushed it off her shoulders. It fell to the floor and I lost my breath again. To go with the lacy bra she had panties to match and a garter. How did I miss the fact that she had stockings on? She continued to massage my head as I began to knead her breasts. Oh they were so much better to touch than they even were to look at. As I began to rub and massage them she began to sigh. I unclasped the bra. She continued to wash my hair, but climbed up onto the chair with me, straddling me. I was laying down looking up into the greatest breasts Id ever seen hanging before my eyes. I leaned up and began to kiss them. Kissing them led to devouring them, my hands rubbing her back down to her ass. She abandoned washing and let her hands run down my sides ending up at the buttons of my shirt, working bottom to top to undue them. As I continued to feast on her breasts I rubbed and grabbed roughly at her ass, loving the silky feel of her panties. She had my shirt unbuttoned and was running her hands through the hair on my chest. I began to kiss lower on her chest, down to her navel. She had her hands on the back of the chair and her knees up on the padded arm rests. I scooted down in the chair where I could kiss her navel, my hands rubbed her legs, one hand outside, one hand inside on her thigh. I would rub up till the inside hand was almost at her crotch, then switch to the other leg. She was swaying above me, just taking it all in. I kissed lower till I was breathing in the scent of her...
