**WARNING:** This collection is intended for ADULT readers only. It contains explicit language and graphic sexual content.

**Description** The darkest collection by Megan West yet. This collection of steamy erotic shorts features a grab bag of erotic stories with provocative situations. \*\*\*The Stories\*\*\* After Class Special Maria is smitten by her new English teacher. Will he feel the same way? Excerpt ...The gentle yet insistent sucking drove me to the edge. My heart thundered as goose bumps scattered along my skin. Sharp bursts of pleasure shot from my core as my body felt weightless. I was lightheaded and in a complete euphoric haze. ..We turned without letting go of one another and he guided me over to his desk, gently pushing me back till I was half lying on it, my legs and rear dangling off the edge. He pulled away from me then and I whimpered, louder this time, not wanting to go without his touch for even a moment. I watched him undress, my eyes feasting on every inch of skin as he exposed himself to me before I remembered I was still fully clothed and peeled myself out of the suddenly restrictive layers of cloth... This 4,500+ word short story features: teacher student sex, older man younger woman sex, teen sex, oral sex and explicit descriptions. Darkness Tamed Sarah, constantly tempted by internal demons, tames her dark feelings by punishing her loving husband Drew. Excerpt ...I felt angry, powerful, and completely in control as I whipped the leather tips down hard on his naked skin, making him cry out in pain and shock. His eyes started to water as I watched his skin flair red from my beating. The loving side of me felt another tug at my heart.. ...But my loving side was still tied up and bound somewhere inside my darkness, masked and covered by my demons, unable to be freed. Kristens Surprise Kristen gets a surprising reaction from her boyfriend after he moves in and

finds her sex dungeon. Excerpt And now Im going to use you like the little toy you are. The smile was gone in an instant as his whole demeanor changed. Jake was a big man, built for strength with well developed arms and a grip like iron. And when that grip got a solid hold of my hair, there was no way I could escape it, not that I would have ever wanted to. With a giant fist full of my hair he pulled me down in front of him, forcing me to my knees and I looked up at him as my robe began to slip down my shoulders.... ...He looked down at me and, though his face was still deadly serious, I could see nothing but lust and affection in his eyes as the hand in my hair tightened its grip till a stinging pain covered my scalp. With his other hand, he undid his belt and unfastened his jeans while I watched his slowly descending zipper with hungry eyes. Please Note: This short story contains explicit descriptions of mind numbing sex, strong language, oral sex, BDSM, provocative situations, bondage, and a handsome dominating alpha male. For mature audiences only 18+ Jasons Pet Beth, exhausted after a stressful day at work, gets a pleasant surprise when her master, Jason, comes to see her. Excerpt ...The collar around her throat was heavy and sweat soaked, pulled tight from where her Master was holding the lead, wrapped around his fist. He pulled her in sharply, making her gasp and fall forwards, her bound hands scrabbling weakly at his chest as he began to pump upwards, one hand fisted in the messy tangle of her hair.
