

# Even More Roads to Adventure: Fishing, Rafting, Golfing, Hiking, Sailing, Snowboarding, Kayaking, Parasailing, RVing, Camping and Cruising Stories

Even More Roads to Adventure continues Bruce Leonard's exciting excursions across North America. In this collection, he finds himself tangling with border-patrol agents, the Mexican army, a drug-sniffing dog and a wheel nearly falling off of his RV. And he faces these travails in only one of the 22 stories within this collection. As the title indicates, Bruce participates in a host of other activities and brings readers along with him in prose that is often funny and occasionally makes sense. In one story he even gives up meat. He still has no idea why he did that.
