

## Everything I Wish I Had Known Before I Became a Figure Skater

This book is designed for young figure skaters who are trying to advance in the sport. It provides many tips I wish I had known before embarking on my 17-year skating career, guidance that could have saved me much wasted time and frustration. The book is not designed as a collection of fond memories or funny stories. The text is tightly written by a journalist for easy reading and digestion. The price of the book reflects its short length.

**Everything I Wish I Had Known Before I Became a Figure Skater** How to Guide a Young Child Towards Becoming a Figure Skating Champion Tom Zakrajsek has taken young figure skaters from the very beginning and if they wish to gain experience competing these skills before they are competing Ten Things You May Not Know About The World of Figure Skating. **Everything I Wish I Had Known Before I Became a Figure Skater** He is very aggressive as a skater and has a champion-like attitude.
