

Excel VBA and Macros with MrExcel

DVD includes: 7+ HOURS OF VIDEO INSTRUCTION 50 TIPS & TECHNIQUES SKILLS YOU CAN LEARN IN Fifteen MINUTES OR LESS

In Excel VBA and Macros with MrExcel, renowned Excel instructor and author Bill Jelen (MrExcel) teaches all the skills you'll need to automate virtually any routine task with Excel and build powerful Excel macros! This package brings together nearly eight hours of personalized, expert video training: 50 quick, practical video lessons that demonstrate all the skills you'll need to successfully use both the Excel macro recorder and the Visual Basic for Applications development environment. You'll learn one step at a time, at your own pace using hands-on examples that reflect realistic challenges and showcase Excel's remarkable capabilities. Along the way, Jelen will take you from the absolute basics through PivotTables and data filtering.

Excel VBA and Macros with MrExcel delivers the power of the best classroom training at a small fraction of the cost. If you don't have time to read a huge book on Excel macros and scripting, this is exactly what you've been searching for! For all serious Excel users: managers, financial pros, entrepreneurs, marketers, analysts, and more. Looking for a better way to master today's rapidly changing technologies? Want expert help, but don't have the time or energy to read a book? Can't find classroom training worth the money? Discover LiveLessons: self-paced, personal video instruction from the world's leading technology experts. LiveLessons are video courses, on DVD with a book supplement, that are organized into bite-sized, self-contained sessions you'll learn key skills in as little as fifteen minutes! Each lesson begins with well-defined learning objectives and ends with comprehensive summaries, which help you track your progress. Follow along as your trainer shows you how to make the

most of Excel's macro recorder and its powerful VBA development environment!

Bill Jelen is called MrExcel for a reason! Nobody knows more about Excel macros and scripting and nobody knows more about teaching these skills to working professionals! Thought you'd never write your own Excel macros and programs? Think again! You will and you can start in just minutes!

Bill Jelen, known worldwide as MrExcel, presents live Excel seminars across the United States and appears in over 800 podcast episodes. His 20 Excel books include Special Edition Using Excel 2007 and VBA and Macros for Microsoft Excel. His website, MrExcel.com, answers 30,000 Excel questions per year.
