

Marrying My Billionaire Stepbrother (Seducing My Billionaire Stepbrother Book 3)

What if the perfect man lived one room over while you were growing up? In Silicon Valley, my billionaire stepbrother is known to have genius-level problem solving skills. Hes going to need them. I had never thought of Jared in a that way until the day I accidentally saw him naked. But that instant changed both of our lives forever, lighting a fire in me that scorched everything in its path until I finally bedded him at his bachelor party. It was so obviously wrong, yet felt so perfectly right.

Realizing we were both crazy about each other, Jared called off his wedding. Of course any romance or sex between was taboo and forbidden, but that only made me want him more. Then when his bitch of a jilted ex-fiancee saw Jared doing filthy things to my willing mouth, she turned into a vengeful blackmail machine, putting his sizable fortune in jeopardy. Now Im pregnant. And our mom knows its Jareds baby. Marrying My Billionaire Stepbrother is a sexy, steamy, intelligent billionaire stepbrother romance that will arouse your lust and engage your mind.
