

## Extreme Edge (Lorimer SideStreets)

Jay is determined to make his name by climbing a tough rock face known as The Wall -- solo. No partner, no ropes, no equipment. Little does Jay suspect that its his own life that will one day hang in the balance. In this exciting rock-climbing adventure, Kellerhals-Stewart looks at the desire to break barriers and the questionable role of the media in the dangerous pursuits of extreme sports.[Fry Reading Level - 3.4
