

NASCAR and Its Greatest Drivers (Inside Sports)

From its earliest inception with modified cars painted in modest black and white to the logo-covered stock cars that race today, fans get the inside track on NASCAR and the people who turned it into a multi-million dollar industry. Lively biographies of the greatest drivers on the motorway are featured, including legends, young up-and-comers, and the courageous women who have been fearless pioneers in this traditionally male-dominated sport. This enthralling package comes fully loaded with stunning color photographs and riveting text that will make readers feel as if they are sitting in the pole position at the Daytona International Speedway.
