

Blackstones Police Manuals 2016: Four Volume Set

Blackstones Police Manuals, endorsed by the College of Policing, are the only official study guides for the NPPF Step Two Legal Examination (formerly OSPREGR Part I). Straightforward and accessible, Blackstones Police Manuals offer you the only comprehensive version of the 2016 syllabus and they are the only resource used by question writers when preparing a NPPF Step Two Legal Examination. The four volumes of Crime, Evidence and Procedure, Road Policing, and General Police Duties cover all aspects of criminal law and procedure, with key parts of legislation reproduced for your reference and with each chapter professionally checked and reviewed by the College of Policing. Complex or commonly misunderstood areas feature handy Keynote boxes, which point to relevant case law or provide an example of how material is used in a practical sense, helping you to establish the connections between legislation and police procedure. The 2016 edition has been updated to incorporate all recent legislative developments and case law, including coverage of the Criminal Justice and Courts Act 2015, the Serious Crime Act 2015, the Anti-social Behaviour, Crime and Policing Act 2014, the Data Retention and Investigatory Powers Act 2014, the Criminal Procedure Rules 2015, and revised PACE Codes A (March 2015), and C and H (June 2014). There is also coverage of the new Domestic Violence Protection Notices (DVPN) and a revised chapter on Control of Sex Offenders, as well as details of key case law decisions covering mode of trial, bail, court procedures, public disorder, sporting events, and equality. Blackstones Police Manuals are also available as part of our online Blackstones Police Manuals and Q&As service: <http://www.blackstonespolice.com>
