

The Billionaires Fertile Submissive: BDSM Bareback on Vacation

I wanted her to be mine, willingly, happily. Once in a while, I liked to treat myself. I had the money, and the looks, to get away with anything. But all I truly wanted was a sweet, young woman's innocence. To train her, and teach her how to be mine, and link her to me forever. I don't know a better way to do that than with a firm hand, and a fertile, innocent woman begging for more. Sure, I could get that for free, but I wanted premium women. Angel is the latest. On a tropical island, away from the hustle and bustle of my job, this is the ultimate fantasy vacation.
