

## Fire and Sword: Chronicles of the Host, Vol 5

Unable to finish the battle at Calvary, Lucifer and his angels now deal with the fledgling Church that was born in great power of Pentecost. Lucifer tries hard to stamp out this spirit-empowered group of believers, including murderous persecution and subtle corruption from within. You are part of the angelic realm as you watch the Lord work through Peter, Paul, Stephen, and others to build a supernatural Kingdom. This dramatic interplay illustrates the desperate battle waging around the early Church between the forces of good and evil. Fire and Sword is book five in the Chronicles of the Host Series.
