

Made In Fireworks CS3

Made in Fireworks CS3 is a unique effort from the author, as it captures the essence of design industry inform of education induced in story line. The learners assumes themselves as three characters of story who fight for competition & win it with team effort. Apart from teaching the nitty-gritty of Adobe Fireworks, the aim of book is to present students with work culture, pressure of tight deadlines, spirit of teamwork and dos and donts of designing work culture in form of Uncle Bens advice.
