

## Her First Time: Totally TABOO Erotica

Adult Only Warning: This is Totally TABOO Erotica! When sheltered Katie finally arrives at college, her first thought is to find her mothers sexy ex, Professor Jack Stone. But when she arrives at the professors office, she finds herself falling over her words in front of the attractive older man. Now, she has said too much and the handsome professor knows exactly what she wants and is ready to give this inexperienced girl a very long, hard lesson.

From the book: He smiled. It was an enticing smile, full of temptation and promises. I want to learn... Her voice was a whisper. I want to learn whatever you can teach me. She blurted out the last in a rush, not sure why she had actually said it. His hand slid up her thigh slowly and she made no move to stop him. Part of her knew she should, that he was waiting for her to slide off the desk, or maybe just show surprise. But she wasn't feeling surprise. She was enjoying the feel of his hand against her skin, and if she was being honest with herself, she wanted his hand to move further up. He narrowed his eyes and looked her over. Just what do you want to learn, Katie? Anything. He cocked his head and looked at her. A moment later, he seemed to have decided. Then, unbutton your shirt. His deep voice was raspy. She couldn't take her eyes off his. Trembling, she brought her hands up and unfastened the first button. For a moment, she couldn't seem to work it, her hand was shaking so. She was entranced by the dark beauty swimming in his eyes. Before she could worry too much, she had undone the third button, then the fourth. When her shirt was completely unbuttoned, she just stopped, looking at him with wide-eyed expectation. He chuckled and leaned closer to her. Sweet Katie, you know I want more than you just standing there with an unbuttoned shirt. He traced a finger down the side of her face, down her neck and into her cleavage. She gasped at his touch. It was

only the side of her breast, but coming from Jack it was so forbidden For Adults Only: This TABOO short story (over 5,500 words) is loaded with hot, erotic sexual situations between an older man and a younger woman including domination, submission and more! It is intended only for adults over the age of 18 and all characters in it are represented as 18 or older.
