

Kissed By My Step (First Time Fertile Taboo Erotica)

We shouldn't do this! What if someone finds out? It was only a kiss. Never mind that it made me lose my breath. Made my heart race. Made me wet. It doesn't matter how good it feels when the person kissing you is well, let's just say he's the guy I grew up with, whose room is right across the hall from mine. I'd hate to imagine what you'd think of me if you knew who he really was.

I know it's taboo, that it's forbidden, but I let him in anyway, and this time I won't stop him. I'll let him be my first. I'll let him go in bare. And when he fills me, if something comes of it, I know it'll be his. I'd tell you even more about how naughty I am, but I can't out here. Click Look Inside if you want to read more!
