

A Forbidden First Time: A Forbidden Taboo Erotic Story

When Derek came home from college, I was shocked to see that lanky boy I'd grown up with had grown into a hot, muscular jock. On top of that, he was hot, too! Sure, we'd grown up in the same house. I knew it was probably not a good idea to get involved with him as close as we were. If anyone knew, it would have been strictly forbidden. But he was just so sexy! How would he react to my advances? And how would he react when he found out I'm completely inexperienced? I was about to find out. Forbidden or not, Derek was about to become the subject of my first foray into the world of passion. I just hoped no one would find out!
