

Heap House: Book One (The Iremonger Trilogy)

Astonishing! So peculiar, so magical that it bears comparison to *The Hobbit* or *The Wolves of Willoughby Chase*, *The Golden Compass* or the *Green Knowe* books. ?Kelly Link, award-winning author of *Magic for Beginners* A 2014 New York Times Notable Book! A Kirkus Best Teen Book of 2014 A New York Times Book Review Editors Pick! A Publishers Weekly Indie Pick: Big Books from Small Presses! Welcome to Heap House, the sprawling, slipshod maze of a mansion, built on the Heaps, a collection of forgotten trash and curios. Young Clod Iremonger and his eccentric family, the kings of mildew, moguls of mold, made their fortune from this collected detritus. The Iremongers are an odd old family, each the owner of the birth object they must keep with them at all times. Clod is perhaps the oddest of all?his gift and his curse is that he can hear all of the objects of Heap House whispering. Yes, a storm is brewing over Heap House and the houses many objects are showing strange signs of life. Clod is on the cusp of being trousered and married off (unhappily) to his cousin Pinalippy when he meets the plucky orphan servant Lucy Pennant, with whose help he begins to uncover the dark secrets of his familys empire. The first installment of the Iremonger Trilogy, *Heap House* introduces readers to a gloriously imagined dark world whose inhabitants come alive on the page?and in Edward Careys fantastical illustrations. *Heap House* is a book that will appeal to fans of Neil Gaiman, Roald Dahl and Mervyn Peake, young and old alike. Mystery, romance, and the perils of the Heaps await! 25 b&w illustrations and illustrated endpapers
