

# A Head Start: A How to Guide for Becoming a Better Son (Connection) (Volume 1)

A Head Start was written for African American males being raised by single mothers. This book was written by Cederick Tardy II after he and his mother overcame years of struggling to understand each other and work together. The content in this book is real and relevant and will help any young man (ages 7-18) learn many of the lessons his absent father will not be able to teach him.
