

Good Will Ghost Hunting: Demon Seed [Good Will Ghost Hunting 1] (Siren Publishing Classic)

[Siren Classic: Erotic Paranormal Romance, demons, mf, HEA] (Book 1 in the Good Will Ghost Hunting series.) Can you find Heaven on Earth in the arms of an archdemon? Bet your soul on it. Kalyani Martin is a virginal preachers daughter. Waiting for Mr. Right is Kals plan, which doesnt include the hunky, standoffish Will Hellenboek. Will cohosts the Otherworlds ghost hunting show with cousin Aidan Faust. All Will wants to do is end his life following his wifes murder twenty-five years earlier. Falling for Kal would jeopardize everything. Ryan Ausars job as head of the Firm is to protect the Earth. Unfortunately, archdemon Will refuses to return to work. Desperate times call for desperate measures. Ryan holds a secret that, if revealed, would devastate Will and Aidan, men he once called brothers. With lives on the line, Kal, Will, and Ryan must choose to give up what they most hold dear. Can Kal turn her back on everything she knows and help heal a hellishly hunky archdemons heart? NOTE: This book was previously published with another publisher. ** A Siren Erotic Romance
